CONDITIONS

1. The auction is open to paid-up Society members only. Those submitting items for auction and potential purchasers must hold current membership to join the auction. Please contact the Auctioneer if you have any questions.
2. The estimate is only a guide as to the price each lot is expected to realise. Bids may be higher or lower than the estimate. Some consigners give us their reserve prices, but other consigners don't put reserve prices on their lots.
3. All bids must be in multiples of £1.
4. The highest bidder shall be the buyer of each lot. Lots will be sold at the lowest price allowed by other bidding, bearing in mind the reserve (if any) set by the seller.
5. In the event of identical bids, the first received shall take preference.
6. In the event of a dispute, a lot may be offered for resale.
7. The seller will be charged 10% of the hammer price and the buyer 10%, such proceeds will be retained by the Society.
8. Items dispatched by post will be at the risk of the buyer/seller to whom they are addressed, and the postage will be charged by the Society.
9. Bidders may reject any lot if any substantial defect is found; such a lot must be returned within 48 hours of receipt, notifying the auctioneer by telephone (+32 9386 9091) or email: auctions@scripophily.org. The lot must be returned in the same condition as sent.
