

SEEBI/HO/DEPA-I_OIMG2/OW/2025/3608/1
February 3, 2025

Dear *Mr. Sayeed Cassim,*

We hope this letter finds you well.

We are delighted to inform you that SEBI has launched Project 'Dharohar – Milestones in the Indian Securities Market' (earlier known as 'Museum of Indian Securities Market') on the 76th Republic Day, January 26, 2025.

Dharohar is a comprehensive online knowledge repository of the Indian Securities Market, designed to document and showcase the rich heritage and evolution of our market. As a dynamic and growing repository, Dharohar includes a collection of historic share certificates, articles on various topics, the evolution of various regulations, newspaper clippings of historic events, infographic videos, committee reports and interviews with notable personalities, including your insightful interview. Your interview for Dharohar may be accessed from <https://mism.org/pointer/mr-sayeed-cassim-highlight-1/>

On behalf of SEBI, I extend our deepest gratitude for your support by providing copies of old share certificates and your insightful interview. Your invaluable contribution will not only play a pivotal role in preserving and showcasing the history of the securities market in India, but will also serve as a bridge between history and the present, allowing visitors to gain a deeper understanding and appreciation of our collective legacy.

Best regards

Ananth Narayan G.
